GOALS AND OBJECTIVES OF IMSO IN RELATION TO THE AUDIT AND REVIEW OF LRIT DATA CENTRES AND CERTAIN APPLICATION SERVICE PROVIDERS

In undertaking the audit and review of LRIT Data Centres and certain Application Service Providers (ASPs), the International Mobile Satellite Organization (IMSO) seeks to:

1. Fulfil its LRIT functions and provide LRIT Co-ordinator services in accordance with its mandate under the terms of the IMSO Convention.
 2. Perform the LRIT Co-ordinator functions in accordance with Section 14 of IMO resolution MSC.263(84): Revised Performance Standards and Functional Requirements for the Long Range Identification and Tracking of Ships.
 3. Perform the LRIT Co-ordinator functions and duties in a fair and consistent manner.
 4. Recover its costs for the provision of LRIT services in full and at minimum risk both to the Organization and the Member States of IMSO.
 5. Ensure, so far as is possible, a positive cash flow throughout its LRIT Audit and Review business.
