IMSO Circular LRIT/002/2023/Rev.2
4 March 2023

REVISED SCALE OF CHARGES TO BE LEVIED BY THE LRIT COORDINATOR FOR THE LRIT-RELATED WORK IN 2023

1 With reference to IMSO Circular LRIT/002/2023 of 14 February 2023, the audit fee has been revised. The revision of the fee is the outcome of discussions of the Advisory Committee at its forty-eighth session held from 23 to 24 February 2023 advising the Director General to issue the revised circular. The Advisory Committee appreciated the Director General's efforts in keeping the LRIT Audit Fee low, however, the Advisory Committee agreed to follow the calculation of the audit fee based on the 2023 budget as approved by Assembly 28, less the 2021 audited surplus.

2 The revised fees for the audit and review of the LRIT Data Centres and the International LRIT Data Exchange during the period from 1 January to 31 December 2023 are set out in the annex.

3 As the LRIT DCs have been provided with an invoice at the beginning of 2023, a revised invoice for the difference in fees will be issued.
