The time allowed for resolution may depend on the nature of the non-compliance and will take into account any discussions which have taken place with the Company and Holdings on the issue.
- 7.10 The Letter of Non-compliance is confidential between the Organization, Holdings and the Company, including the circumstances surrounding the Letter of Non-compliance and the timeline imposed to seek compliance. The Organization shall provide the Letter of Non-compliance to the Secretary-General of IMO and invite the Secretary-General to take appropriate measures safeguarding the confidentiality of such information.
- 7.11 Notwithstanding clause 5.4, if the Company and Holdings do not rectify the non-compliance to the level required by clause 2.1 within the time allowed by the Letter of Non-compliance, the Organization shall immediately recommend to the Secretary-General of IMO whether recognition of the Company's Recognized Mobile Satellite Services may be maintained subject to conditions stipulated by IMO or the Organization or should be suspended or withdrawn.
- 7.12 The Company may, at any time following the issue of a Letter of Non-compliance, request the Sponsoring Government to refer the matter to the Secretary-General of IMO for resolution in accordance with its rules and procedures.
- 7.13 Any decision by IMO in this respect shall be final and binding on both the Organization and the Company, as appropriate. The Organization and the Company shall implement the decision of IMO without delay.
- 7.14 If the Company does not implement the decision of IMO or meet the level required in clause 2.1, the Organization shall withdraw the Company's Letter of Compliance and notify the Secretary-General of IMO along with a recommendation for withdrawal of the Company's Recognized Mobile Satellite Services.

- 7.15 If the Company and Holdings rectify the non-compliance, the Organization shall withdraw the Letter of Non-compliance immediately and shall inform any authority who was provided with that letter accordingly.

- 8.3 Any dispute, controversy or claim between the parties arising out of or relating to this Agreement, or the breach, termination or invalidity thereof, which is not settled amicably, shall be finally referred to arbitration in accordance with the Arbitration Rules of the United Nations Commission on International Trade Law (UNCITRAL Rules) then prevailing. The place of arbitration shall be London and the language used in the arbitral proceedings shall be English.
- 8.4 The decision of the Arbitrator shall be binding upon the Organization, Holdings and the Company.
- 8.5 The Organization, Holdings and the Company shall promptly implement any decision of the Arbitrator in relation to the provisions of this Agreement.

- 8.8 The Company and Holdings shall bear all costs associated with the arbitration proceedings, including the Organization's legal fees to the extent such fees are determined by the arbitrator to be reasonable in amount.

The Company in turn will enter into negotiation to establish the amount of an additional payment, if any, that it might reasonably be required to make to reimburse the Organization, taking into account the possibility that other Providers might also be expected to share in the reimbursement of such expenses under separate Agreements. The outcome of such negotiation, whether or not it reaches a mutually agreed outcome, shall be brought to the attention of the IMSO Assembly for any action it considers to be appropriate.
- 9.5 In the event this Agreement is terminated with immediate effect as a result of insolvency of the Company the Organization shall retain any monies already contributed by the Company during the current calendar year. Thereafter, the Organization shall rely on the remaining Provider(s) for the GMDSS Budget.
- 9.6 If this Agreement is terminated with immediate effect pursuant to clause 7.11 or 8.6 due to the Company's or Holding's failure to rectify a non-compliance pursuant to clause 7.11 or its failure to implement the decisions of the arbitrator under clause 8.6, the Company shall continue to pay the Organization its share of the GMDSS budget for the remaining part of the IMSO biennium.

10 ASSIGNMENT

- 10.1 Otherwise than in the case of a merger, acquisition or re-structuring of the Company or Holdings, or assignment to a subsidiary or to its holding company or to a subsidiary

The Company shall not initiate a voluntary winding up unless occasioned by insolvency. In this case the Company shall, as soon as possible before initiating such winding up, consult with the Organization about any opportunities for an assignee to assume responsibility for maintaining continuity of the Company's Recognized Mobile Satellite Services and for paying the Company's apportioned share of the Organization's GMDSS oversight budget. If the Organization cannot obtain reasonable assurances about those obligations, the Organization may immediately terminate this Agreement.

No waiver by the Organization, Holdings or the Company or failure to perform any provision of this Agreement shall operate or be construed as a waiver with respect to any other or further failure whether of a like or different character.

No delay or failure by the Organization, Holdings or the Company in performing any of their obligations referred to in this Agreement shall constitute a breach of this Agreement nor give rise to any claim or action against either of them to the extent that such delay or failure is caused by an event of *force majeure*. If either the Organization, Holdings or the Company is unable to carry out any of such obligations by reason of an event of *force majeure*, it shall promptly advise the other thereof in writing and shall use its best endeavours to resume the performance of its obligations so affected.
